(10) OVERALL ANALYSIS

OVERALL ANALYSIS (Restricted to 3 bullet points under each aspect)		
S.No.		Observation on Key Aspects
1	Institutional Strengths	<ul style="list-style-type: none"> Highly qualified, experienced, dedicated faculty and staff members Systematic and compliant record-keeping aligned with NAAC, UGC, NIRF, AISHE and State Government guidelines. Implementation of Curriculum Up gradation CBCS, NEP-2020, with timely examination and result declaration
2	Institutional Weaknesses	<ul style="list-style-type: none"> Infrastructure needs enhancement as per NEP-2020 requirements (classrooms, laboratories, seminar hall, etc.) Insufficient research facilities and limited resources for advanced research. Lack of development in consultancy services and industry-academia collaboration.
3	Institutional Challenges	<ul style="list-style-type: none"> Enhancing employability among students from rural and economically weaker background. Motivating faculty and departments to undertake research projects and consultancy work. Adapting to evolving academic and industry expectation in a resources -constrained environment.
4	Institutional Opportunities	<ul style="list-style-type: none"> Scope to conduct Training programs, Faculty Development Programs (FDPs) and Social Outreach Initiatives. Strengthening industry linkage for internships, placements and skill development. Collaboration with academic and research institutions for joint projects and funding opportunities
5	Recommendations	<ul style="list-style-type: none"> Infrastructure Up gradation: Expansion and modernization of classrooms, laboratories, seminar halls and other academic facilities in line with NEP-2020. Research Facility Enhancement: Establishment of a centralized research laboratory with modern equipment and adequate funding support. Research and Digitization: Full scale automation of office administration and library management systems of enhance efficiency and service delivery.
