

### 3.1.2

#### **Additional Information**

- The Institution is purely a Government Institution and is run by the State Govt.
- All the recruitments of the teaching and non-teaching staff are fulfilled by the State Govt.
- All the expenditures including salaries of the staff are made available through Budget allocation via Govt Treasury.
- The State Govt does not provide seed money to its teachers for research.
- The total budget for the institution is provided by the State Government under various heads such as salary, equipment, electricity, telephone, Information Technology, affiliation, furniture, books and stationery.
- In the total budget allocated for the institution, there is no special earmarking for research. The total budget is used for general purposes including research.
- The budget for construction and specific requirements of furniture is provided by the State Government separately.
- The facilities created through the budget provided by the State Government are also used for research purposes. These include furniture, construction, electricity, desktop computers, laptops, purchase of books and journals.
- Apart from this, the UGC Plan Grant for General Development for UG and PG under the heads of Books and Journals and Equipment are also utilized for the purpose including research.
