

Institutional Distinctiveness

T

- **The oldest institution of the State known as the light house of Chhattisgarh was established on 13 July 1938 by Professor Janswami Yoganandam.**
- **Inspired by the freedom movement of India it was started with one programme with a mission to provide higher education to young minds of the State. It has now come out in flying colours as the only co-educational Institution of the State offering 4 UG, 19 PG, 2 diploma programmes and five research centers with supervisors in almost all the subjects.**
- **Centrally located college of the Capital with diversified faculty under one roof.**
- **Produced large number of NET, SET and other State and National level examination qualified students.**
- **Most of the Courses offered focus on employability, entrepreneurship and skill development.**
- **To acquaint the students with Indian system of governance and parliamentary democracy, Youth Parliament has been organized since 2014 which promotes decision making ability, leadership quality, critical thinking and understanding the gravity of political issues among students.**
- **The institution has well defined policies on Consultancy, Research, Code of Conduct and Environment and Sustainability.**
- **The Institution has its IT policy with a focus upon providing hybrid education.**
- **Social accountability of the institution is confirmed through researches in the public interest, Neki ki Diwar and extension activities done by various departments along with 1 NSS unit, 2 NCC units (boys and girls), Youth Red Cross Society and Red Ribbon Club.**
- **Being an autonomous institution it conducts examination and declares results in time to facilitate the students to timely submit their application for further studies and job.**
