#### 15. Multidisciplinary / interdisciplinary

Since its inception in 1938 Govt J Yoganandam Chhattisgarh College has been a multidisciplinary institution and disseminating knowledge in the streams of Arts, Science, Commerce and Law imparting education generating employability, entrepreneurship and skill development. The institution offers flexible and innovative curricula that includes nine elective courses and is planning to introduce semester system and choice-based credit system in Undergraduate classes next year. The institution offers projects in the areas of community engagement and service, environmental and value-based education towards the attainment of a holistic and multidisciplinary education. The Institution has also introduced fifteen Value-added courses in the Session 2021-22 to prepare the students and enhance their skills.

#### 16. Academic bank of credits (ABC):

For a year the Institution has been trying to implement Academic Bank of Credits which will be possible only after the approval of the Academic Council next year. The faculties are encouraged to design their own student-centric curricular and pedagogical approaches within the approved framework including text books and reading material selection. The institution ensures experiential learning, participative learning and problem-solving methodologies in the structure of all programmes.

#### 17. Skill development:

The Institution runs highly potential programmes to create employability and skill development like B.Com., B.Com. with Computer Application with elective papers like Banking and Financial Management etc. LL.B., LL.M., M.S.W., P.G.D.C.A. and D.B.M. are generating self-employment and entrepreneurial skills among students. The Institution has adopted two best practices for the betterment of students. They are:

? Organizing Activities Focused on Mahatma Gandhi and Other Great Leaders to Promote the Spirit of Patriotism.

? Organizing Vocational Training Programmes for Empowering Students for a Better Future.

The Institution is planning to introduce following from the next year:

- a. Generic Elective Course
- b. Discipline Specific Course

<p>c. Skill Enhancement Course</p> <p>d. Value -Added Course</p> <p>e. NCC as one of the Electives</p>
<p><b>18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)</b></p>
<p>There is an appropriate integration of Indian Knowledge System in almost all the Programmes. The faculties deliver their lectures in bilingual mode (English and Hindi).</p> <p>In order to preserve and promote Indian Ancient Traditional Knowledge and Culture the Institution offers and upgrades the syllabi of various Programmes taught.</p>
<p><b>19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):</b></p>
<p>The Institution's focus is upon Outcome -based education. The POs, COs and PSOs offered by the institution are stated and displayed on the website of the institution and communicated to teachers and students. These outcomes are communicated to students in classrooms by teachers and in Induction Programmes organized by IQAC.Their knowledge and skill attained and their capacity for critical thinking is assessed through personal interaction, continuous internal assessment and Annual/End Semester Examination.</p>
<p><b>20.Distance education/online education:</b></p>
<p>To establish ICT enabled global teaching and learning the IQAC persuaded the teachers to adopt audio-visual method in teaching and learning and make use of internet, INFLIBNET &amp; computers and the faculty members in turn made use of TV, LCD projectors, OHPs and Power Point presentations. The teachers developed contents too and floated it through their YouTube channels. During the Pandemic the teachers engaged 100% Online Classes. This indicates the Institution's readiness to adopt vocational courses through Open Distance Learning mode in due course of time.</p>

### CURRICULAR ASPECTS

#### 1.1 - Curriculum Design and Development

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which are reflected in Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the various Programmes offered by the Institution.

The institution offers programmes which are relevant to the local as well as national, regional and global needs. Since its inception the institution has been disseminating knowledge in the streams of Arts, Science, Commerce and Law imparting education generating employability, entrepreneurship and skill development.

Following the UGC norms the Board of Studies in every subject formulates the curriculum looking into the upcoming trends, need-based inputs, feedback from stakeholders, opinions of experts. It

does incorporate the cross-cutting issues. This curriculum is finally approved by the Academic Council and the Governing Body. The curriculum thus designed and implemented reflects the attainment of POs, PSOs and COs of the respective programmes offered by the institution.

In 2021-22 all the departments have made changes in the syllabi of 52 courses ranging from 5% to 100%. In almost all the courses minor changes have been made incorporating some novel items. In B Com III, B A III Geography, History, Sociology, BSc III Geography, MA English, MA Public Administration and MSc Anthropology overall 18 new courses have been introduced which is a step towards up gradation of the courses to provide the education of sustainable quality.

## 1.3 - Curriculum Enrichment

1.3.1 - Institution integrates cross-cutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability, and Human Values into the curriculum

The Institution has imbibed different types of courses like Law,

Economics, Public Administration and Psychology to enhance professional competence while the others aim to inculcate general competence leading to the holistic development of students.

Gender sensitivity and gender sensitization is accomplished through amalgamation of theory and practice. Status of women, women empowerment and developmental issues of women are discussed in Sociology, Law, Public Administration, History and English. Gender budget is discussed in Economics & Public Administration.

Environmental issues are addressed in various courses like Botany, Zoology, Chemistry, MSW, Law, Anthropology, Economic and Natural Resources Management in Geography, Urban Planning in Public Administration, Economics of Social Sector and Environmental Economics in Economics, Tourism and Environment in History, Teaching various literary texts related to eco-critical theories in English and EVS in first year as compulsory paper offering a project on it also.

Human values have been taught in Hindi and English Language and literature at UG and PG level both. Human Rights Laws in Law, Administrative Law and Development Administration in Public Administration, Applied Ethics in Philosophy and Tribal Development in Anthropology. Thus most of the courses are involved to address all these cross-cutting issues.

## 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners.

On the basis of students' performance in XII/UG III that means the qualifying examination the students getting 60% and above are considered Advanced learners and the rest slow learners. Their learning levels are further judged through interactive sessions of the class and their performance in unit tests, terminals and home assignments.

### Measures Taken for Slow Learners:

- Individual counseling under mentor-mentee scheme.
- Doubt clearing classes & compensatory teaching is done.
- Suggesting supporting books and providing study material.
- Imparting bilingual explanation for better understanding

### Measures Taken for Advanced Learners:

- Special attention is paid to secure university ranks.
- Encouraged to ask question and satisfy queries.
- Motivated them to participate in collegiate and inter-collegiate seminar presentation, extempore, poster presentation, quiz and debate competition.
- Encouraged to enroll in MOOCS (SWAYAM, COURSEERA, Internshala etc.)
- Honoring with medals for their academic, sports & cultural achievement.
- Organizing technical training programmes.

## 2.3 - Teaching- Learning Process

2.3.1 - Student-centric methods such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences:

The institution ensures the use of various learner-centric methods like experiential learning, participative learning and problem-solving methodology in the structure of all programmes. They are as follows:

### Measures Taken for Experiential and Participative Learning:

- Laboratory practical classes in all science subjects and a few other subjects like Geography, Psychology and English.
- Surveys in Sociology, MSW, Economics, Geography, Psychology and Commerce.
- Presentation of survey reports made by the students.
- The provision of moot court room for LLB students.
- Screening of films based on prescribed texts by English Department.
- The provision of seminars in all PG programmes.
- Study/Educational tours organized by Geography, AIH, History, Public Administration, Psychology and Law.
- Industrial plant visit by Commerce.
- Training of Yoga and meditation by Philosophy & Sports.
- Advanced learners are made members of Collegiate Committees and Clubs and given responsibility to conduct programmes.

### Problem Solving Methodologies:

- The students are provided with certain tasks to inculcate in them problem-solving skills to build their competence.
- Group learning is promoted.

Students are persuaded to register themselves for MOOCS and Internshala to be skilled and get firsthand experience of the work field and become self reliant.

### 2.3.2 - Teachers use ICT-enabled tools including online resources for effective teaching and learning

Recently digital learning resources have become easily available which make learning more individualistic, creative and dynamic. The teachers adopt modern pedagogy to enhance teaching-learning process that is ICT enabled teaching. To support the faculty members and students the institution is well equipped with essential equipment. The institution facilitates Wi-Fi enabled class rooms with LCD, LAN network, Language Lab and e-learning resources. The students are persuaded to prepare and present power point presentations. Communication skills training is provided during Language Lab session. Learning resources and N-List facilities are availed in the Library. Instructional material is uploaded on cgschool.in portal, college website as well as on YouTube by most of the professors of the college. The COVID-19 pandemic has come to us as a boon and has made the entire teaching fraternity techno-savvy. Nowadays the teachers are engaged in teaching on online mode with the help of ppt presentation & flipped teaching.

### 2.3.4 - Preparation and adherence to Academic Calendar and Teaching Plans by the institution

After receiving the academic calendar released by the Dept. of Higher Education the institution prepares its own schedule/calendar with minor changes in the beginning of the session. It is communicated to all the faculty members. An effective time table is prepared for its implementation. Department wise time table and work load distribution is done. The time table efficiently deploys the units of time distributed in a balanced way. The Autonomous Cell releases a common teaching plan for the session which is followed by the teachers accordingly for effective Curriculum delivery. The faculty members also prepare their teaching plans in the beginning of the session for effective curriculum delivery. The students' understanding is continuously evaluated through timely conduct of unit tests and terminal exams. The faculty members maintain their daily diaries to record the accomplishment of their proposed work which is monitored by the Head of the Department and the Principal every month. If it is not done in time the concerned teacher completes the portion by engaging extra classes.

### 2.5.3 - IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution

- In order to increase the efficiency and effectiveness of the Examination system, the institution introduces reforms in the examination process to gauge the knowledge and skills acquired at various levels of the programmes. COVID-19 Pandemic came as a challenge to the examination cell to organize examination. The cell conducted Semester/Annual online examination through portal on College website. The question papers were uploaded on the College website and different WhatsApp groups as per the time table. The students solved the question papers at home and uploaded their scanned answer sheets on the portal within the time limit.
- To acquaint the students with online examination a mock test was organized.
- Valuation of answer books was also totally accomplished through the Examination portal by providing soft copies to the examiners.
- Results were conveyed through College Website and net copies of their mark sheets were also made available to the Students.
- In this way the entire examination process was IT

integrated.

- Even two internal Assessment tests were conducted through online mode.
- The Cell conducted Supplementary examinations (Online Examination from home) also for those who were dissatisfied with their results or those who could not take their online exams.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme Outcomes and Course Outcomes for all Programmes offered by the institution are stated and displayed on the website and communicated to teachers and students

The POs, COs and PSOs offered by the institution are stated and displayed on the website of the institution and communicated to teachers and students. These outcomes provide the academic vision of the institution and serve as guidelines for the programmes and courses. They convey the academic value and goals of the institution. They clarify the learners what is expected of them as well as the skill, competence, understanding and ability is going to be acquired on successful completion of their studies.

Apart from displaying these learning outcomes on the college website its hard copies are available in all the departments for ready reference to teachers and students. They are displayed on the departmental notice board. First year/Semester Students are communicated in Induction Programmes organized by IQAC. The departments also make them aware of it through orientation programmes. The teachers mention the POs and COs in their daily diaries also in the beginning of the session and communicate it to the students in their class.

## 2.6.2 - Attainment of Programme Outcomes and Course Outcomes as evaluated by the institution

Programme Outcomes and Programme Specific Outcomes are attained through the attainment of course outcomes. COs assess directly the learning experience of the students as well as teaching effectiveness. Delivery and assessment methods are designed accordingly to achieve the stated outcome. Delivery is important that ensures students' ability to acquire the skills and knowledge required. Assessment is also important which assesses whether the students have attained what is expected out of them. Their knowledge and skill attained and their capacity for critical thinking is assessed through personal interaction, continuous internal assessment and Annual/End Semester Examination. The Result Committee analyses the performance of the students in the year-end examination and gives recommendations to improve (if any) the learning outcomes of the students. The attainment of outcomes is measured through pass percentage in the last session and the percentage of students passed with first division and with distinction. The dropout rate for every programme is also observed. Through Seminars, Surveys, Presentation and debates on vital social, political, economic, ethical and environmental issues the awareness and sensitivity of the Students is judged. Their active participation in NCC, NSS, Youth Parliament and Departmental activities attest students' sense of ethical and responsible citizenship.

## RESEARCH, INNOVATIONS AND EXTENSION

### 3.1 - Promotion of Research and Facilities

3.1.1 - The institution's research facilities are frequently updated and there is a well-defined policy for promotion of research which is uploaded on the institutional website and implemented

There has been a well-defined Research Policy in the Institution since 2017 which was upgraded in January 2022. The Research Committee is playing a vital role in the promotion of research culture. It encourages the faculty members for publication of research papers and patents as well as motivates PG Students not only towards research but also for some type of start-up. The Departments are persuaded to open new Research Centers. Due to the efforts of the Research Committee two more Research centers are opened after the second cycle of NAAC. The meetings are organized periodically to plan the promotion of research in the Institution. In the research committee meeting, it was decided that

- Measures would be taken to focus on research quality.
- Research centers were instructed to inform the research scholars about research ethics and for its successful implementation Research and Ethics Policy has been framed.
- The Research centers were instructed to follow strictly the PhD Ordinance 45 of Pt RSU regarding the distribution of seats to the supervisors category -wise and to prepare a Research Profile and maintain the record of enrolment,

admission, Pre-PhD Course work, attendance and presentations of the research scholars

- To encourage students for the use of E-resources.
- Research centers were instructed to assure that research papers and research material are plagiarism free.

#### 4.3 - IT Infrastructure

4.3.1 - Institution has an IT policy covering Wi-Fi, cyber security, etc. and has allocated budget for updating its IT facilities

The college has an IT policy. IT Service Management is looked after by the Computer Personels of the college. Outside experts are also called in case of need. The website is updated and monitored by the website up-gradation committee. The Institution has deployed a good number of latest configuration computers. Customized developed software is deployed for admissions, exams and results. Computers of Administrative Section and Computer Lab are connected through LAN. For administrative information security, user level authentication access is followed. Campus has high speed internet facility. The institute has a 24X7 Wi-Fi facility in the college campus for the students and faculty members to avail themselves of internet connection at any place in the college. The college has Network Resource Centre to facilitate IT services. College Campus security is maintained with the help of CCTV cameras which ensures the safety and security of the campus. During the session 2020-2021 the up-gradation of website was done. The Internet facilities were improvised for efficient online teaching. All departments were provided with Internet facility and some with LAN. Some Departments were provided with cameras and speakers too. Due to the efforts of IT Committee the institution could make the digital marksheets of students available in the institutional website.

### 5.3.2 - Presence of an active Student Council and representation of students in academic and administrative bodies/committees of the institution

Due to unusual circumstances of COVID-19 pandemic this year as per the directives received from the Department of Higher Education no Student Council is formed in the institution. In spite of the adverse situation advanced learners are made members of Departmental Councils/Parishads/Clubs and given responsibility to conduct online programmes. P.G. Students' (alumni) representations in board of studies of various departments play a vital role in framing the syllabi through their feedback. A Student representative is nominated as a member of IQAC also who participates in the quality initiatives of the Cell for the institution. His/her advice makes the IQAC aware of the needs of students and helps in its prospective planning. The nomination of an alumnus of the college in the IQAC and Janbhagidari helps in finding out the weaknesses of the institution which leads to its rectification.

## GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the Institution

Vision of the College:-

- To provide excellent quality education to the students.
- To equip the underprivileged students to meet the challenges of education, work and life.
- To provide a vibrant, caring educational environment.
- To equip the students with knowledge and skills and inculcate values to become good human beings.

#### Mission of the College:-

- A holistic mission of providing the finest quality education.
- To carry out academic excellence through active students-teacher participation.
- Improving the standard through innovative and effective teaching and curriculum development.
- Providing a conducive environment for research.
- Encourage meaningful learning through community education programme.
- To develop the personality of the students and to inculcate moral, ethical values among them.
- To develop leadership and managerial skills among the students.

For good governance, perspective plan and participation of teachers in the decision making bodies Principal involves the teachers as members of significant bodies of the college like The Governing Body, Academic Council, Janbhagidari, IQAC, Valuation Board, Board of Studies, Examination Cell and various other committees formed at the department & Institutional level. The opinions, decisions and recommendations of the committees help in taking decisions regarding the perspective plan of the institution.

6.1.2 - Effective leadership is reflected in various institutional practices such as decentralization and participative management

Examination Cell is the best example of decentralization and participative management. It follows the manual of examination system prepared as per UGC guidelines and ordinance of Pt. R.S.U.

Academic, financial and general administrative affairs are governed by Statutory and non-Statutory bodies. The Principal is the Chief Controller of the examination. One Controller, three Asst. Controllers, two computer operators and two class IV employees are deputed in the cell. The role of examination cell is:-

- Review, restructure and redesign the courses with the help of Board of Studies which is finally approved by Academic Council and Governing Body.
- Preparation of Academic Calendar and Teaching Plan.
- Preparation and conduction of Annual and Semester examination.
- Valuation of answer scripts.
- Tabulation of mark lists and preparation of results.
- Declaration of results on website and notice board.
- Printing and distribution of mark sheets.
- Revaluation and retotalling and declaring their results.
- Conduction of supplementary exams and declaration of results.

**Outcomes:** The Institution has successfully been conducting its own examination with utmost confidentiality ever since it was granted autonomy without any complaint against it. It has established the reputation of the institute and the prospects of its students.

## 6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ Perspective plan has been clearly articulated and implemented

Govt. J. Yoganandam Chhattisgarh College is an autonomous College where students from all over the State come to study. Including Law, Science, Social Science, PGDCA and Public Administration, this is the only college in the State where all the disciplines are taught. The college is committed to make its students responsible and aware about the burning public issues. To acquaint the students with Indian system of governance and parliamentary

democracy, Youth Parliament is organized by selecting some enthusiastic students. For mapping and identifying the human resource and nurturing the talent, the institution has been organizing this activity since 2014. This initiative was taken by the department of Law and Public administration under the supervision of IQAC. Through the youth parliament, the students voice their genuine and sincere opinions about participation of youth in the New India. This collective effort promotes decision making ability, leadership quality, critical thinking and understanding the gravity of political issues among students. The vision of the college is to make the students aware and responsible citizens of the society. This activity is student centric, so as to assure public participation in the administration. In the parliamentary democracy public participation and cooperation in the society is ensured through the medium of students. Students are enabled to understand democracy and role of legislature. Last year due to COVID-19 Pandemic the past tradition of organizing Youth Parliament was broken which was resumed this year again.

6.2.2 - The functioning of the various institutional bodies is effective and efficient as visible from the policies, administrative set-up, appointment and service rules, procedures, etc.

The Government of Chhattisgarh is the supreme authority. The Directorate of Higher Education takes academic and administration decisions which are carried out through the Principal. The ordinance of Pt.RSU and UGC are followed. The Governing body, the Academic council, the Jan Bhagidari Samiti, the finance committee and the Internal Quality Assurance Cell help the Principal in managing the institution.

The Registrar, the head clerk, the Accountant, the technical and non-technical staff and the supporting staff, Librarian and the Sports officer assist the Principal in administration. In Academics the Head of the Department supervise the activities of the Department and cater to the needs of the students.

The Examination cell of the College, run by a Controller, two Assistant controllers and supporting staff, conducts examinations and all other related peripheral activities.

Every year supporting services are upgraded for maximum utilization. The process of automation of central library is proposed with the help of SOUL software. Sports facilities for basket ball, volley ball, cricket and table tennis are made available to students every year. Human values and ethics, discipline and social commitment is inculcated through two NCC wings and one NSS unit. The students are provided with State and Central Scholarships.

### 6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non-teaching staff and avenues for their career development/ progression

Being a Govt. institution only the Following welfare schemes of State Govt. are applicable for the teaching and non-teaching staff:

- Maternity leave
- Paternity Leave
- Medical Leave
- AnukampaNiyukti
- Child Care Leave
- Gratuity

The teaching staff receives salary from State Govt. as per the Seventh Plan of the UGC and the non-teaching staff is paid as per the State Govt. Scale.

The Institution encourages the newly recruited faculty members to participate in orientation and refresher courses. Faculty members are granted duty leave for attending seminars/workshops/conferences etc. They are granted study leave to pursue their doctoral degree as per UGC and State Govt. rules. Administrative and Professional Training programmes have been organized for the teaching and non-teaching members to upgrade their skills. The Institution is bent upon signing MOUs with the institutions of repute so that the employees can be trained properly. As it was need of the hour, in order to make the teaching staff proficient in conducting various online activities a One Day Training Programme on How to Create Google Forms and Quizzes was organized and 18 professors were benefitted by it. Two Administrative Training Programmes on Introduction to Value Added Courses for Heads of the Department and The Documentation of Data for NAAC were organised.

## 6.4 - Financial Management and Resource Mobilization

### 6.4.1 - Institution conducts internal and external financial audits regularly

The College has a proper mechanism for both internal and external financial audits. The finances and the accounts are audited regularly. Its details are as follows: Internal Audit: The Internal financial accounting is done every month before 10th and then the same accounts are audited by the internal auditors from Department of Commerce. If any mistake is noticed the same is

rectified then and there. After rectifications if any, the report would be submitted by internal auditors to the Governing Body for approval. A report of the monthly expenditure (MER) is prepared every month and sent to Directorate of Higher Education. External Audit: List of various funds and the procedure of their audits: Government Funds: The Audit wing of the Directorate of Higher Education does the audit of these funds in addition CA and Accountant General Audit is also done. Non-Government Funds: Amalgamated. UGC Grants: The Chartered Accountant, Departmental and AG audits are done. Janbhagidari Funds: The Chartered Accountant appointed for the purpose does its audit. Exam Funds are again audited by a Chartered Accountant. RUSA grants are also audited by a Chartered Accountant. Due to COVID-19 Pandemic no internal audit took place this year. It was not possible for the Institution to get the External Audit done after 2017. Most probably it will be done next year.

#### 6.4.3 - Institutional strategies for mobilisation of funds and the optimal utilisation of resources

Various types of funds received by the Institution are utilized following the rules of Bhandarkraya Niyam (State Rule 1998). The establishment expenditure of the College including salary and other expenditure is meted out by the Department of the Higher Education, Chhattisgarh for which an estimated budget is sent to it. Adequate funds are allocated for effective teaching-learning

practices. The budget is utilized to meet routine operational and administrative expenses and maintenance of the fixed assets. On priority basis, according to the budget, quotations are invited from at least three different suppliers to find out the competitive prices and the lowest price is approved by the purchase committee and purchase order is issued by the principal for utilization of funds. The process is followed for all types of purchase whether it is furniture or Laboratory equipment or books. Record of every transaction is maintained in the stock registers by the store keepers, the librarian and Head of the department. Janbhagidari funds are used for appointment of Guest faculties and for the benefit of students. Money collected from the Students for College magazine is utilized in bringing an annual magazine and college bulletin. Overall, the Principal monitors and controls the financial procedures.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing quality assurance strategies and processes visible in terms of incremental improvements made during the preceding year with regard to quality (in case of the First Cycle): Incremental improvements made during the preceding year with regard to quality and post-accreditation quality initiatives (Second and subsequent cycles)

**After II Cycle of NAAC as a result of IQAC initiatives two practices have been institutionalized: -**

1. Online Feedback System
2. Increase in Facilities for ICT Teaching

**1. Online Feedback System: -** The IQAC improvised the old formats (three-point scale) to get accurate results with five-point scale which made the IQAC wiser for developing prospective plans. But in order to get a crystal-clear feedback IQAC developed an online feedback system. Consequently, this year the feedback is collected through Google forms successfully.

**2. Increase in Facilities for ICT Teaching: -** To establish ICT enabled global teaching and learning the IQAC increased in

facilities for ICT Teaching. IQAC persuaded the teachers to adopt audio-visual method in teaching and learning and make use of internet, INFLIBNET & computers and the faculty members in turn made use of TV, LCD projectors, OHPs and Power Point presentations. The teachers develop contents too and float it through their YouTube channels. The contents are uploaded in the institutional website also. During the Pandemic the teachers engaged 100% Online Classes. Afterwards they engaged classes in blended mode. In this way the students coming from rural background have also become trained for the use of ICT.

6.5.2 - The institution reviews its teaching-learning process, structures and methodologies of operation and learning outcomes at periodic intervals through its IQAC as per norms

The Institutions reviews its teaching learning process, structures and methodologies of operations and learning outcomes at periodic intervals through its IQAC as per norms:

#### 1. SWOC Analysis 2- Feedback of Teaching-LearningProcess

1. SWOC Analysis: -Inadequate use of ICT was the finding of SWOC Analysis Committee.IQAC motivated the faculty to adopt innovative methods as per the changing scenario of Higher Education.As a result of the arrival of pandemic and measures taken by IQAC new methods of teaching have been adopted by various departments and Teaching is being done using ICT in almost all the departments.
2. Feedback of Teaching-Learning Process: - The IQAC evaluates the teaching-learning process through the students' feedback and with the help of the Heads of the Department. In the beginning of the session the Principal conducts the meeting of the staff council to review the overall performance of the college and presents the perspective plan. Another meeting of Staff Council is held before the Commencement of examination in which the academic and extra academic performance of the institution is reviewed and instructions regarding the examination are given by the Principal. Besides this, a daily dairy of each of the faculty members,

countersigned by the Head of the Department, is presented before 5th of every month to the Principal for approval. This leads to more accountability in teaching-learning process and improvement in the efficiency of teaching-learning.

**Management and disposal of waste in the campus is as follows:**

**Solid Waste Management :-** The solid wastes like plastic, card board, glass, rags etc. are collected in the dust bins provided in various corners of the campus and then transferred to the municipal corporation waste collection unit. The college has a shredder machine through which waste office papers and previous year answer copies of the students are cut in to strips and then sent to the agency for recycling. The institution encourages paperless working. The biodegradable solid wastes are dumped in large pits at the corner of the garden to convert it into compost naturally which is used as manure in the garden.

**Liquid Waste Management:-** The water from the washing place is diverted to the plants in the garden to minimize its wastage.

**E-waste management:-** In the College the e-wastes are collected periodically and sent to the agency working for the State Govt.

**Hazardous Chemicals and radioactive waste management:-** Liquid waste generated in the laboratories of chemistry and other departments are first diluted with water and then discharged.

**Biomedical waste management:-** Biomedical waste of the Girls' common room has been managed through sanitary napkin incinerator and vending machine.
