15. Multidisciplinary / interdisciplinary

Since its inception in 1938 Govt J Yoganandam Chhattisgarh College has been a multidisciplinary institution disseminating knowledge in the streams of Arts, Science, Commerce and Law imparting education generating employability, entrepreneurship and skill development. The institution offers flexible and innovative curricula that includetwenty elective courses and introduceda semester system and choice-based credit system in Undergraduate classes this year.⁷⁴ Courses following the CBCS pattern were started this year. The institution offers projects in the areas of community engagement and service, and environmental and value-based education towards the attainment of a holistic and multidisciplinary education. The Institution had also introduced fifteen Value-added courses in the Session 2021-22 to prepare the students and enhance their skills.

16. Academic bank of credits (ABC):

This session credit system in under graduate courses was started . Institution is planning to implement the Academic Bank of Credits . All students come under credit system will be registerd in Academic bank of credit and their credits data will be transferred into their ABC account. The marksheets of students under traditional system will be uploaded in nad portal.

17. Skill development:

Skill development: The Institution runs highly potential programmes to create employability and skill development like B.Com., B.Com. with Computer Applications with elective papers like Banking and Financial Management etc. LL.B., LL.M., M.S.W., P.G.D.C.A. and D.B.M. are generating self-employment and entrepreneurial skills among students. The Institution has adopted two best practices for the betterment of students. They are: Organizing Activities Focused on Mahatma Gandhi and Other Great Leaders to Promote the Spirit of Patriotism. And Organizing Vocational Training Programmes for Empowering Students for a Better Future. The Institution has introducedthe following from the this year: a. Generic Elective

Course b. Discipline Specific Course c. Skill Enhancement Course d. Value -Added Course e. NCC as an additional optional subject in BA, BSc and B Com.
18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)
Appropriate integration of the Indian Knowledge System (teaching in Indian Language, and culture, using online courses) There is an appropriate integration of the Indian Knowledge System in almost all the Programmes. The faculties deliver their lectures in bilingual mode (English and Hindi). In order to preserve and promote Indian Ancient Traditional Knowledge and Culture the Institution offers and upgrades the syllabi of various Programmes taught. A committee has been exclusively working on its promotion.
19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):
Focus on Outcome-based education (OBE):The Institution's focus is onOutcome-based education. The POs, COs and PSOs offered by the institution are stated and displayed on the website of the institution and communicated to teachers and students. These outcomes are communicated to students in classrooms by teachers and in Induction Programmes organised by IQAC.Their knowledge and skill attained and their capacity for critical thinking are assessed through personal interaction, continuous internal assessment and Annual/End Semester Examination.
20.Distance education/online education:
Distance education/online education: To establish ICT-enabled global teaching and learning the IQAC persuaded the teachers to adopt audio-visual methods in teaching and learning and make use of the internet, INFLIBNET & computers and the faculty members, in turn, made use of TV, LCD projectors, OHPs and PowerPoint presentations. The teachers developed content and uploaded it on the college website. During the Pandemic the teachers engaged 100% Online Classes. This indicates the Institution's readiness to adopt vocational courses through Open Distance Learning mode in due course of time.

CURRICULAR ASPECTS	
1.1 - Curriculum Design and Development	
1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which are reflected in Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the various Programmes offered by the Institution.	
<p>The institution offers programmes which are relevant to local as well as national, regional and global needs. Since its inception, the institution has been disseminating knowledge in the Arts, Science, Commerce and Law imparting education generating employability, entrepreneurship and skill development. As per NEP 2020 following the CBCS pattern Certificate Programme in the first year of all streams with the Semester System, this session has been followed.</p>	

Following the UGC norms the Board of Studies in every subject formulates the curriculum looking into the upcoming trends, need-based inputs, feedback from stakeholders, and opinions of experts. It does incorporate cross-cutting issues. The Academic Council and the Governing Body finally approve this curriculum. The curriculum thus designed and implemented reflects the attainment of POs, PSOs and COs of the institution's programmes.

In 2022-23 all the departments have changed the syllabi of 42 courses ranging from 5% to 100%. Fourteen new courses have been introduced in the present session. 74 courses following the CBCS pattern were started in 2022-23 which was a step towards the upgradation of the courses to provide education of sustainable quality.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates cross-cutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability, and Human Values into the curriculum

The Institution has imbibed different types of courses like Law,

Economics, Public Administration, Psychology, and NCC to enhance professional competence while the others aim to inculcate general competence leading to the holistic development of students.

Gender sensitivity and gender sensitization are accomplished through the amalgamation of theory and practice. The status of women, women empowerment, and developmental issues of women are discussed in Sociology, Law, Public Administration, History, and English. Gender budget is discussed in Economics & Public Administration.

Environmental issues are addressed in various courses like Botany, Zoology, Chemistry, MSW, Law, Anthropology, Economic and Natural Resources Management in Geography, Urban Planning in Public Administration, Economics of Social Sector, and Environmental Economics in Economics, Tourism and Environment in History, teaching various literary texts related to eco-critical theories in English and EVS in the first year as compulsory paper.

Human values have been taught in Hindi and English Language and Literature at UG and PG levels. Human Rights Laws are taught in Law, EVS, Administrative Law and Development Administration in Public Administration, Applied Ethics in Philosophy, and Tribal Development in Anthropology. To address all these cross-cutting issues various activities are organized in most of the courses.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners.

The learning levels of students are judged through interactive sessions of the class and their performance in unit tests, terminals and home assignments.

Measures Taken for Slow Learners:

- Individual counselling under the mentor-mentee scheme.
- Doubt clearing classes & compensatory teaching is done.
- Suggesting supporting books and providing study material.
- Imparting bilingual explanation for better understanding

Measures Taken for Advanced Learners:

- Special attention is paid to securing university ranks.
- Encouraged to ask questions and satisfy queries.
- Motivated them to participate in collegiate and inter-collegiate seminar presentations, extempore, poster presentations, and quiz and debate competitions.
- Encouraged to enrol in MOOCS (SWAYAM, COURSEERA, Internshala etc.)
- Honouring with medals for their academic, sports & cultural achievements.

2.3 - Teaching- Learning Process

2.3.1 - Student-centric methods such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences:

The institution ensures the use of various learner-centric methods like experiential learning, participative learning and problem-solving methodology in the structure of all programmes. They are as follows:

Measures Taken for Experiential and Participative Learning:

- Laboratory practical classes in all science subjects and a few other subjects like Geography, Psychology and English.
- Surveys in Sociology, MSW, Economics, Geography, AIH, Psychology and Commerce.
- Presentation of survey reports made by the students.
- The provision of the moot courtroom for LLB students.
- Screening of films based on prescribed texts by the English and Hindi Department.
- The provision of seminars in all PG Programmes.
- Study/Educational/Academic tours organised by Geography, AIH, History, English, Public Administration, Psychology, Political Science, Sociology, MSW, Anthropology, Botany and Law.
- Wholesale Market and Industrial plant visit by Commerce.
- Training in Yoga and meditation by Philosophy, sports and other Departments.
- Advanced learners are made members of Collegiate Committees and Clubs and given responsibility to conduct programmes.

Problem Solving Methodologies:

- The students are provided with certain tasks to inculcate problem-solving skills to build their competence.
- The students are made teaching assistants.
- Group learning is promoted.
- Students are persuaded to register themselves for MOOCS and Internshala to be skilled and get firsthand experience in the work field and become self reliant.

2.3.2 - Teachers use ICT-enabled tools including online resources for effective teaching and learning

Recently digital learning resources have become easily available which makes learning more individualistic, creative, and dynamic. The teachers adopt modern pedagogy to enhance the teaching-learning process that is ICT-enabled teaching. To support the faculty members and students the institution is well equipped with

essential equipment. The institution facilitates Wi-Fi-enabled classrooms with LCD, LAN network, Language Lab, and e-learning resources. The students are persuaded to prepare and present PowerPoint presentations. Communication skills training is provided during the Language Lab session. Learning resources and N-List facilities are availed in the library. Instructional material is uploaded on the college website as well as on YouTube by most of the professors of the college. The entire teaching fraternity is techno-savvy. Teaching is done in blended mode with the help of ppt presentations & flipped teaching.

2.3.4 - Preparation and adherence to Academic Calendar and Teaching Plans by the institution

After receiving the academic calendar released by the Department of Higher Education the institution prepares its own schedule/calendar with minor changes at the beginning of the session. It is communicated to all the faculty members. An effective timetable is prepared for its implementation. Department-wise timetable and workload distribution are done. The timetable efficiently deploys the units of time distributed in a balanced way. The Autonomous Cell releases a common teaching plan for the session which the teachers follow for effective Curriculum delivery. The faculty members also prepare their teaching plans at the beginning of the session for effective curriculum delivery.

The students' understanding is continuously evaluated through the timely conduct of unit tests and terminal exams. The faculty members maintain their daily diaries to record the accomplishment of their proposed work which is monitored by the Head of the Department and the Principal every month. If it is not done in time the concerned teacher completes the portion by engaging in extra classes.

2.5.3 - IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution

- To increase the efficiency and effectiveness of the Examination system, the institution introduces reforms in the examination process to gauge the knowledge and skills acquired at various levels of the programmes. The COVID-19 Pandemic came as a challenge to the examination cell to organize the examination. The cell conducted a Semester/Annual online examination through the portal on the college website. The question papers were uploaded on the

College website and different WhatsApp groups as per the timetable. The students solved the question papers at home and uploaded their scanned answer sheets on the portal within the time limit.

- Valuation was accomplished through the Examination portal by providing soft copies to the examiners.
- Results were conveyed through the College Website
- The entire examination process was IT integrated.
- Examinations of UGI and PGI and III Semester of session 22-23 were conducted in offline mode.
- The question paper pattern was changed from two to three sections as below:

Section A (Very short answer type questions) Compulsory

Section B (Short answer type questions) Compulsory

Section C (Long answer type questions) with internal choice

10

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme Outcomes and Course Outcomes for all Programmes offered by the institution are stated and displayed on the website and communicated to teachers and students

The POs, COs and PSOs offered by the institution are stated and displayed on the website of the institution and communicated to teachers and students. These outcomes provide the academic vision of the institution and serve as guidelines for the programmes and courses. They convey the academic value and goals of the

institution. They clarify to the learners what is expected of them as well as the skill, competence, understanding and ability that is going to be acquired on successful completion of their studies.

Apart from displaying these learning outcomes on the college website its hard copies are available in all the departments for ready reference to teachers and students. They are displayed on the departmental notice board. First-year/Semester Students are communicated in Induction Programmes organized by IQAC. The departments also make them aware of it through orientation programmes. The teachers mention the POs and COs in their daily diaries also at the beginning of the session and communicate it to the students in their class.

2.6.2 - Attainment of Programme Outcomes and Course Outcomes as evaluated by the institution

Programme Outcomes and Programme Specific Outcomes are attained through the attainment of course outcomes. COs assess directly the learning experience of the students as well as teaching effectiveness. Delivery and assessment methods are designed accordingly to achieve the stated outcome. Delivery is important to ensure students' ability to acquire the skills and knowledge required. Assessment is also important which assesses whether the students have attained what is expected out of them. Their knowledge and skill attained and their capacity for critical thinking are assessed through personal interaction, continuous internal assessment and Annual/End Semester Examination. The Result Committee analyses the performance of the students in the year-end examination and gives recommendations to improve (if any) the learning outcomes of the students. The attainment of outcomes is measured through the pass percentage in the last session and the percentage of students who passed with first division and with distinction. The dropout rate for every programme is also observed. Through Seminars, Surveys, and Presentation debates on vital social, political, economic, ethical and environmental issues the awareness and sensitivity of the students are judged. Their active participation in NCC, NSS, Youth Parliament and

Departmental activities attest to students' sense of ethical and responsible citizenship.

RESEARCH, INNOVATIONS AND EXTENSION

3.1 - Promotion of Research and Facilities

3.1.1 - The institution's research facilities are frequently updated and there is a well-defined policy for promotion of research which is uploaded on the institutional website and implemented

There has been a well-defined Research Policy in the Institution since 2017 which was upgraded in January 2022. The Research Committee is playing a vital role in the promotion of research culture. It encourages the faculty members to publish research

papers and patents as well as motivates PG Students not only towards research but also for some type of start-up. The meetings are organised periodically to plan the promotion of research in the Institution. In the research committee meeting, it was decided that Measures would be taken to focus on research quality and a Value-Added Course on Research Methodology may be organised. All the research Centres were asked to conduct research workshops, Conferences and Seminars and as a result the Research Centre of Law organized a One Day National Workshop on Research Methodology, the Research Centre of English Organised an International Conference on 'Global Crises in the Present Scenario' in Collaboration with Kalinga University, the Research Centre of Mathematics organized a State Level Workshop on 'Research Techniques in Mathematics' and Research and Development Cell itself organized a One Day Workshop on 'Research Guidelines for Research Supervisors and Scholars'. The Research and Development Cell intends to strengthen the research culture aligned with the provision of NEP2020.

3.3 - Innovation Ecosystem

3.3.1 - Institution has created an ecosystem for innovations and creation and transfer of knowledge supported by dedicated centres for research, entrepreneurship, community orientation, incubation, etc.

The institution has developed an ecosystem under which various activities are being conducted for the creation and transfer of knowledge. They are aimed at providing vocational training, skill development and the promotion of research. The research committee promotes research culture. The Entrepreneurship Development Cell and Incubation Centre has been doing its job very well since its formation in February 2022. To create awareness of IPR an

awareness programme was conducted online in collaboration with NIPAM by IPR Cell. The Cell in collaboration with other Departments also organised a National workshop on Patents Trademarks and Copyrights. The Entrepreneurship Awareness Programme in collaboration with MSME and Introduction to Startup Ecosystem: Chhattisgarh in collaboration with CHIPS were organized by the cell. A number of State and national-level workshops on Research Methodology, Research Techniques, and Research Guidelines were organised by various Departments. Workshops on Personality Development, Communication Skills in English as well as Hindi were organized. Workshop on Electronic Instrumentation was organized by the Department of Physics. Workshops on GST, Cartography and GPS were also organized. Celebrating "National Mathematics Day" every year is the evidence of creation of an ecosystem for research in the institution. Community orientation has been done by the Department of Law (Legal Aid and Awareness Programme), Sociology (legal Awareness among rural people), NCC and NSS. An Awareness Programme in the form of AIDS Awareness Week was also organised during the year.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching-learning, viz., classrooms, laboratories, computing equipments, etc.

The institution tries to meet the requirements of each department/ administrative section in the form of infrastructure facilities available. It ensures adequate availability of physical infrastructure in the form of equipment, books, ICT facilities,

consumables, furniture, teaching aids etc. For efficient working some more furniture in the form of almirahs and information boards were purchased during the period. Financial resources in terms of grants from the State Govt., UGC, and Janbhagidari are utilized to upgrade and improve infrastructure facilities. Future requirement is identified and augmented from time to time. There are 29 well-ventilated, exclusive classrooms with sufficient seating capacity and proper electrification. 07 Undergraduate and 08 postgraduate Laboratories are there to meet the demand for practicals. There is one Computer lab with 23 computers. The institution has one Mathematical Computation Lab with thirteen computers. In the English Lab Laptops, Computers, Mobile Apps, audio-visual Aids, LED TV and LCD Projector are used in teaching and learning the English language. Internet facilities were improvised for efficient blended teaching. All departments were provided with Internet facilities and some with LAN. Some Departments have cameras and speakers too.

4.1.2 - The institution has adequate facilities for cultural activities, yoga, sports and games (indoor and outdoor) including gymnasium, yoga centre, auditorium etc.)

The sportsmen of the college have made giant strides in the field of sports. The Department of Sports has indeed succeeded in perpetuating sports culture among the students of the institution for whom the infrastructure and expertise are always made effectively available. The Institution with the help of the district government is striving to provide infrastructural facilities par excellence. The facilities for Indoor and Outdoor games are available in the Institution. A gym is also installed in the institution. The institution has also signed MoUs with other agencies for using their playground facilities. They are Union Club and VIP's Club for Table Tennis, Badminton, Tennis and Swimming along with free coaching to the players. Students participating at the State/Inter-University level are provided tracksuits and sports kits. For cultural activities and Yoga 02 seminar halls with a public address system are used. The Cultural Committee and Literary Committee of the College plan for organising cultural and literary activities in the College. The students participate in the Collegiate, Inter-Collegiate and

University level activities in these categories.

Annual Literary competitions were organised by the literary committee as well as a programme entitled Smaran Muktibodh and a screening of the film Bhulan Kanda was done. Apart from the Annual Cultural Programme in December 2022 the cultural committee celebrated Azadi ka Amrit Mahostava and organised various competitions for students during the year. A considerable number of Sports activities were also organised.

4.3 - IT Infrastructure

4.3.1 - Institution has an IT policy covering Wi-Fi, cyber security, etc. and has allocated budget for updating its IT facilities

The college has an IT policy. IT Service Management is looked after by the Computer Personels of the college. Outside experts are also called in case of need. The website is updated and monitored by the website up-gradation committee. The Institution has deployed a good number of the latest configuration computers. Customized developed software is deployed for admissions, exams and results. Computers of the Administrative Section and Computer Lab are connected through LAN. For administrative information security, user-level authentication access is followed. The Campus has a high-speed internet facility. The institute has a 24X7 Wi-Fi facility on the college campus for the students and faculty members to avail themselves of an internet connection at any place in the college. The college has a Network Resource Centre to facilitate IT services. College Campus security is maintained with the help of CCTV cameras which ensures the safety and security of the campus. During the session 2020-2021, the up-gradation of the website was done. The Internet facilities were improvised for efficient online teaching. All departments were provided with Internet facilities and some with LAN. Some Departments were provided with cameras and speakers too. Due to the efforts of the IT Committee, the institution could make the digital mark sheets

Systems and Procedures for the Utilization of

Facilities and Maintenance of the College Infrastructure

College Building: A Building Committee has been constituted to oversee the maintenance of the building. The maintenance of infrastructure and construction is done by PWD whether it is funded by the Department of Higher Education or UGC. Minor maintenance work is done with the funds received from Janbhagidari.

Classrooms: Regular cleaning and sanitising of the classrooms, washrooms and labs is done by the cleaning staff of the college. All the maintenance and repair works of classrooms (including electrical repair) are done by PWD.

Laboratories: Laboratory equipment is maintained by the concerned department. The students perform various experiments daily under the supervision of faculty members, lab technicians and lab attendants. The computers and their accessories are maintained by the supplier during the warranty period i.e. three years.

Sports: Indoor and outdoor games are facilitated. A Gym is also installed this year.

Library: Library Staff ensures the maintenance and functioning of library services. An Advisory Committee suggests measures to improve its functioning.

Canteen: The canteen is utilized by students and staff members of the college and maintained by the manager himself. A Canteen

Committee looks after it functions.

In spite of this advanced learners are made members of Departmental Councils/Parishads/Clubs and given responsibility to conduct online and offline programmes. P.G. Students' (alumni) representations in the board of studies of various departments play a vital role in framing the syllabi through their feedback. A Student representative is nominated as a member of IQAC who participates in the quality initiatives of the Cell for the institution. His/her advice makes the IQAC aware of the needs of students and helps in its prospective planning. The nomination of an alumnus of the college in the IQAC and Janbhagidari helps in finding out the weaknesses of the institution which leads to its rectification.

5.4 - Alumni Engagement

5.4.1 - The Alumni Association and its Chapters (registered and functional) contribute significantly

to the development of the institution through financial and other support services

To maintain & strengthen the socio-cultural and educational harmony between society and institution the alumni association plays a vital role. With this objective, an alumni association was formed in the session 2007-08 which was registered in the session 2015-16 with the title "Alumni Association J Yoganandam Chhattisgarh College Society". Currently, the association has 140 members out of which 16 members are the office bearers working under the headship of Mr. Mrityunjay Dubey. The institution is proud of its brilliant alumni who are distinguished members of society and are presently working in significant positions. Since its inception, to encourage meritorious students, gold medals have been given by the members of the alumni association. This year the alumni of the Economics Department gave a motivational lecture for the preparations for Competitive exams. On 28 January 2023 phase 2 registration drive was started and all the Departments organized Alumni Meet. 71 new registrations took place on the day. In the meeting of the association the proposal of renovating room no. 43 was passed to prepare a multi-purpose hall. A proposal of organizing a Workshop with the help of CHIPS on 1-2 February 2023 was also passed and accomplished successfully on the days. GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the Institution

The vision of the College:-

- To provide excellent quality education to the students.
- To equip underprivileged students to meet the challenges of education, work and life.
- To provide a vibrant, caring educational environment.
- To equip the students with knowledge and skills and inculcate values to become good human beings.

Mission of the College:-

- A holistic mission of providing the finest quality education.
- To carry out academic excellence through active student-teacher participation.
- Improving the standard through innovative and effective teaching and curriculum development.
- Providing a conducive environment for research.
- Encourage meaningful learning through community education programmes.
- To develop the personality of the students and to inculcate moral, and ethical values among them.
- To develop leadership and managerial skills among the students.

For good governance, perspective plan and participation of teachers in the decision-making bodies Principal involves the teachers as members of significant bodies of the college like The Governing Body, Academic Council, Janbhagidari, IQAC, Valuation Board, Board of Studies, Examination Cell and various other committees formed at the department & Institutional level. The opinions, decisions and recommendations of the committees help in making decisions regarding the perspective plan of the institution. Students are also incorporated into these committees.

6.1.2 - Effective leadership is reflected in various institutional practices such as decentralization and participative management

Examination Cell is the best example of decentralisation and participative management. It follows the examination system manual prepared as per UGC guidelines and the ordinance of Pt R.S.U.

Academic, financial, and general administrative affairs are governed by Statutory and non-statutory bodies. The Principal is the Chief Controller of the examination. One Controller, three assistant controllers, two computer operators, and two class IV employees are deputed in the cell. The role of the examination cell is: -

- Review, restructure, and redesign the courses with the help of the Board of Studies which the Academic Council and Governing Body finally approve.
- Preparation of Academic Calendar and Teaching Plan.
- Conduction of Class tests and Seminars.
- Preparation and conduction of Annual and Semester examinations.
- Valuation of answer scripts.
- Tabulation of mark lists and preparation of results.
- Declaration of results on the website and notice board.
- Printing and distribution of mark sheets.
- Revaluation and re-totaling and declaring their results.
- Conduction of supplementary exams and declaration of results.

Outcomes: The Institution has successfully been conducting its own examination with utmost confidentiality ever since it was granted autonomy without any complaint against it. It has established the reputation of the institute and the prospects of its students.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ Perspective plan has been clearly articulated and implemented

Govt J. Yoganandam Chhattisgarh College is an autonomous College where students from all over the State come to study. The college is committed to making its students responsible and aware of the burning public issues. To acquaint the students with the Indian system of governance and parliamentary democracy, the Youth

Parliament is organized by selecting some enthusiastic students. For mapping and identifying human resources and nurturing talent, the institution has been organizing this activity since 2014. This initiative was taken by the Department of Law and Public Administration under the supervision of IQAC. Through the youth parliament, the students voice their genuine and sincere opinions about the participation of youth in New India. This collective effort promotes decision-making ability, leadership quality, critical thinking and understanding of the gravity of political issues among students. The vision of the college is to make the students aware and responsible citizens of the society. This activity is student-centric, so as to assure public participation in the administration. In parliamentary democracy, public participation and cooperation in society are ensured through the medium of students. Students are enabled to understand democracy and the role of the legislature. This tradition of organizing the Youth Parliament had been maintained this year also. For developing innovation and entrepreneurial skills among the students, alumni, research scholars and the students of the region Cell for the Development of Entrepreneurship and Incubation Centre has been working efficiently since its inception on 11 February 2022.

6.2.2 - The functioning of the various institutional bodies is effective and efficient as visible from the policies, administrative set-up, appointment and service rules, procedures, etc.

The Government of Chhattisgarh is the supreme authority. The Directorate of Higher Education takes academic and administration decisions which are carried out through the Principal. The ordinance of PtRSU and UGC are followed. The Governing body, the Academic Council, the Jan Bhagidari Samiti, the finance committee and the Internal Quality Assurance Cell help the Principal in managing the institution.

The Registrar, the head clerk, the accountant, the technical and non-technical staff and the supporting staff, the Librarian and the Sports officer assist the Principal in administration. In

Academics, the Head of the Department supervises the activities of the Department and caters to the needs of the students.

The Examination cell of the College, run by a Controller, two Assistant controllers and supporting staff, conducts examinations and all other related peripheral activities.

Every year supporting services are upgraded for maximum utilization. The automation of the central library with the help of SOUL software is under process. Sports facilities for basketball, volleyball, cricket and table tennis are made available to students every year. A gym has also been established. Human values and ethics, discipline and social commitment are inculcated through two NCC wings and one NSS unit. The students are provided with State and Central Scholarships.

6.4.3 - Institutional strategies for mobilisation of funds and the optimal utilisation of resources

Various types of funds received by the Institution are utilized following the rules of Bhandarkraya Niyam (State Rule 1998). The establishment expenditure of the College including salary and other expenditure is meted out by the Department of the Higher Education, Chhattisgarh for which an estimated budget is sent to it. Adequate funds are allocated for effective teaching-learning practices. The budget is utilized to meet routine operational and administrative expenses and maintenance of the fixed assets. On a priority basis, according to the budget, quotations are invited

from at least three different suppliers to find out the competitive prices, the lowest price is approved by the purchase committee and a purchase order is issued by the principal for utilization of funds. The process is followed for all types of purchases whether it is furniture, Laboratory equipment or books. Record of every transaction is maintained in the stock registers by the storekeepers, the librarian and the Head of the department. Janbhagidari funds are used for the appointment of Guest faculties and for the benefit of students. Money collected from the Students for College magazine is utilized in bringing an annual magazine and college bulletin. Overall, the Principal monitors and controls the financial procedures.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing quality assurance strategies and processes visible in terms of incremental improvements made during the preceding year with regard to quality (in case of the First Cycle): Incremental improvements made during the preceding year with regard to quality and post-accreditation quality initiatives (Second and subsequent cycles)

After II Cycle of NAAC as a result of IQAC initiatives two practices have been institutionalized: -

1. Online Feedback System
2. Increase in Facilities for ICT Teaching

1. Online Feedback System: - The IQAC improvised the old formats (three-point scale) to get accurate results with a five-point scale which made the IQAC wiser for developing prospective plans. But in order to get crystal-clear feedback IQAC developed an online feedback system. Consequently, the feedback has been collected through Google Forms successfully.

2. Increase in Facilities for ICT Teaching: - To establish ICT-enabled global teaching and learning the IQAC increased in facilities for ICT Teaching. IQAC persuaded the teachers to adopt audio-visual methods in teaching and learning and make use of the internet, INFLIBNET & computers and the faculty members in turn

made use of TV, LCD projectors, OHPs and PowerPoint presentations. The teachers develop content too and float it through their YouTube channels. The contents are uploaded to the institutional website. During the Pandemic the teachers engaged 100% Online Classes. Afterwards, they engaged in classes in blended mode. In this way, the students coming from rural backgrounds have also become trained in the use of ICT.

6.5.2 - The institution reviews its teaching-learning process, structures and methodologies of operation and learning outcomes at periodic intervals through its IQAC as per norms

The Institution reviews its teaching-learning process, structures and methodologies of operations and learning outcomes at periodic intervals through its IQAC as per norms:

1. SWOC Analysis 2- Feedback of Teaching-Learning Process

1. SWOC Analysis: -Inadequate use of ICT was the finding of the SWOC Analysis Committee. IQAC motivated the faculty to adopt innovative methods as per the changing scenario of Higher Education. As a result of the arrival of the pandemic and measures taken by IQAC new methods of teaching have been adopted by various departments and Teaching is being done using ICT in almost all the departments.
2. Feedback of the Teaching-Learning Process: - The IQAC evaluates the teaching-learning process through the students' feedback and with the help of the Heads of the Department. At the beginning of the session, the Principal conducts the meeting of the staff council to review the overall performance of the college and presents the prospective plan. Another meeting of the Staff Council is held before the Commencement of the examination in which the academic and extra-academic performance of the institution is reviewed and instructions regarding the examination are given by the Principal. Besides this, a daily diary of each of the faculty members, countersigned by the Head of the

Department, is presented before the 5th of every month to the Principal for approval. This leads to more accountability in the teaching-learning process and improvement in the efficiency of teaching-learning.

7.1.3 - Describe the facilities in the institution for the management of the following types of degradable and non-degradable waste (within a maximum of 200 words)

Management and disposal of waste in the campus is as follows:

Solid Waste Management:- Solid wastes like plastic, cardboard, glass, rags, etc. are collected in the dust bins provided in various corners of the campus and then transferred to the municipal corporation waste collection unit. The college has a shredder machine through which waste office papers and previous year's answer copies of the students are cut into strips and then sent to the agency for recycling. The institution encourages paperless work. The biodegradable solid wastes are dumped in large pits at the corner of the garden to convert it into compost naturally which is used as manure in the garden.

Liquid Waste Management:- The water from the washing place is diverted to the plants in the garden to minimise its wastage.

E-waste management:- In the College, the e-waste is collected periodically and sent to the agency working for the State Govt.

Hazardous Chemicals and Radioactive Waste Management: Liquid waste generated in chemistry laboratories and other departments is first diluted with water and then discharged.

Biomedical waste management:- Biomedical waste in the Girls' common room has been managed through a sanitary napkin incinerator and vending machine.

7.3 - Institutional Distinctiveness

7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)

Students from all over the State come to study at the Institution. Including Law, Social Science, PGDCA, DBM and Public Administration, this is the only institution in the state where all the disciplines are taught. The college is committed to making its students responsible and aware of the burning public issues. To acquaint the students with the Indian system of governance and parliamentary democracy, the Youth Parliament is organized by selecting some enthusiastic students. For mapping and identifying human resources and nurturing talent, the institution has been organizing this activity since 2014. This initiative was taken by the Department of Law and Public Administration under the supervision of IQAC. Through the Youth Parliament, the students voice their genuine and sincere opinions about the participation of youth in New India. This collective effort promotes decision-making ability, leadership quality, critical thinking and understanding of the gravity of political issues among students. The vision of the college is to make the students aware and responsible citizens of the society. This activity is student-centric, so as to assure public participation in the administration. This persuades the students to understand the common man's point of view and express it in an articulated manner.
