Action Taken Report 2019-20

Feedback System

To enhance quality education and maintain the standard of education the institution designed its feedback system in 2013-14 which has been improvised by the IQAC from time to time. Before the II cycle of NAAC Accreditation four-way system of feedback (analysed on a three-point scale) was in practice but afterwards, the need for a more effective feedback system for the college was felt which should be analysed on a five-point scale to get accuracy in the feedback report. As the desirable and suitable formats for getting feedback were required the IQAC improvised the old formats to get accurate results. The new feedback system devised in 19-20 was as follows:

- 1. Students' responses on infrastructure and facilities provided by the institution.
- 2. Students' Feedback on teachers' performance.
- 3. Parents' Feedback.
- 4. Teachers' Feedback.
- 5. Alumni's Feedback.
- 6. Feedback from the Non-Teaching Staff.
- 7. Feedback from the Research Scholars.

This practice has allowed the stakeholders to express their opinions which are valuable for

Action Plan:

The total score of Teachers on five-point scale was as follows:

S.No.	Feedback	Excellent	Very Good	Good	T - 0	
1	Students'			Cooq	Less than Good	Not so Good
•	Feedback on Teachers	33.60	30.12	28.03	4.02	4.23
	· · · · · · · · · · · · · · · · · · ·					

The scores of the analysis were circulated among the teaching staff so that they may improve themselves and enhance their abilities.

The total score of feedback regarding the Infrastructure was as follows:

S.No.	Foodb								
	Feedback	Excellent	Very Good	Good	Less than	Not so Good			
2	Student				Good				
	Students' Feedback on	11.23	22.83	27.95	22.17	15.82			
	Infrastructure								

Feedback analysis regarding infrastructure has been communicated to the Land and Building Committee. The proposal for the construction of a canteen with good amenities and smart classrooms has been sent to them.

The total score of feedback regarding library facilities was as follows:

S.No.	Feedback Students'		Very Good	Good	Less than Good	Not so Good
	Feedback on Library	17.38	25.67	26.72	19.30	10.93

The feedback on the library indicated some lacunas which were communicated to the Librarian

- To subscribe to the Journals mentioned in the UGC CARE List.
- To Purchase Standard Text Books/Reference Books.
- To purchase books in English medium.
- To purchase books for competitive examination.
- To think of expanding larger reading space for students and research scholars.
